
Laboratory Hours of Operation

Outpatient Hours:

Monday through Friday—0600 to 1800

Saturday—0700 to 1100

Outpatients arriving outside of routine hours will be accommodated as promptly as possible.

Certain tests (ie, bone marrows, dark-field exams, fine needle biopsies, and ACTH stimulation) require prior arrangement with the Laboratory Office.

Pathology Office Hours:

Monday through Friday—0730 to 1730

Weekends, nights, and holidays—Pathologist on call

A pathologist is available on call 24 hours a day for emergency frozen specimen examination.

Histology Department:

Monday through Friday—0500 to 1730
