# *Requests/Reporting*

## **Electronic Reports**

Results may be transmitted by Holland Hospital Laboratory Services via printer at your location or via fax. Some office EMR's may be set up to receive results electronically. Transmissions occur 24 hours a day, 7 days a week. For further information regarding this service, please call our Customer Service Department at 616-355-3801.

## **Interfering Substances**

The most common interfering substances are listed in the specimen requirement column of the test listing. A more comprehensive listing is available in Young DS: Effects of Drugs on Clinical Laboratory Tests. 4th edition. Washington DC, AACC Press, 1995.

## **Mailed Reports**

Mailed reports are provided and indicate patient information, account number, laboratory accession number, test name, result, and reference values.

## **Reportable Disease**

Holland Hospital Laboratory Services follows reporting requirements for each State Health Department regarding reportable diseases. We report by fax, form, or phone depending upon your individual State Health Department regulations. Holland Hospital Laboratory Services reports to the appropriate State Health Department based upon the state listed in the client address. We strive to cooperate with our clients so that we both comply with state regulations. If you need further information, please do not hesitate to contact Holland Hospital Laboratory Services at 616-355-3801.
