

Overview

Sky Lakes Medical Center is a not-for-profit, 501(c)(3), community-benefit regional health care center serving some 100,000 people in a 10,000-square-mile area in south-central Oregon and northeastern California. We combine small-town charm and neighborliness with big city medical expertise in our 176-licensed bed facility.

Sky Lakes Medical Center's laboratory provides a wide range of routine and advanced diagnostic tests promoting patient and community health. Laboratory professionals work with area physicians and other health care providers to deliver high-quality patient care through the pathology and clinical laboratory diagnostic and blood bank services.

Nationally accredited by The Joint Commission (JC), Sky Lakes Medical Center's Laboratory Service is among the best in the region.

Sky Lakes Medical Center Laboratory

Mission Statement

Sky Lakes Medical Center Laboratory provides comprehensive services of the highest quality and value. We are a compassionate team of professionals focused on excellence and strive to exceed the expectations of all we serve. The mission of the Laboratory is to work in partnership with our Pathologists and other clinicians to provide high quality anatomical and clinical laboratory testing services that assist in diagnosis of disease and /or the enhancement of health status. We are committed to responding to the needs of our patients and customers. We are committed to being the provider of choice for Laboratory Services in our community by meeting The Four Pillars of Service Excellence: Quality, Service, People and Finances.

Clinical laboratory services are offered 24 hours a day, 7 days a week.

Hours for the pathology area are weekdays, 7 a.m. to 5 p.m. with pathologists on-call after hours.

For more information about the Sky Lakes Medical Center's Laboratory Services, contact the Laboratory Administrative Director, Medical Director of Laboratories, or Sky Lakes Laboratory at 541-274-6240.

All outpatient laboratory service centers are closed on the major holidays including Christmas, New Year's Day, Thanksgiving, Memorial Day, Independence Day (July 4th), and Labor Day.
