
Overview

Charleston Area Medical Center Clinical Laboratories provide comprehensive range of laboratory services at all hospitals, including General, Memorial, Women and Children's, Teays Valley.

CAMC LabWorks, our outreach entity, supports and delivers services for our clients in a 14-county area.

Testing not performed within the CAMC Health System is referred to Mayo Medical Laboratories.

Please refer to Document Management on CAMnet to review specific policies on "Rejection of Specimens", "Alert Call Backs", "Collection of Urine Samples", etc.

This test directory is the result of the combined effort of CAMC Laboratories, CAMC LabWorks and Mayo Medical Laboratories.
