

OhioHealth Laboratory Services

Mansfield/Shelby Area Locations

OhioHealth Laboratory Services is an integral part of the healthcare system in Mansfield and Shelby. All patient service sites are staffed by experienced and dedicated professionals.

Convenient Locations

OhioHealth Laboratory Services has several service sites conveniently located throughout the north region, including a new draw site in the Medical Office Building at OhioHealth Mansfield Hospital — **no appointments necessary.**

Partnering with you to care for your patients

Our laboratory staff is dedicated to providing comprehensive, quality services to the communities, physicians and patients we serve — contributing continuity, convenient access and cost-effectiveness to patient care. We are honored to help you provide the best care possible for your patients and pride ourselves on our quick turnaround times and comprehensive testing. Partnering with OhioHealth's central Ohio Lab means you and your patients have access to one of the top health systems in the nation. OhioHealth Laboratory Services utilizes Mayo Medical Laboratories for its esoteric needs. This collaboration strengthens our efforts to provide exceptional laboratory services and patient care to the regions we serve.

Physician Practice Connectivity

OhioHealth Laboratory Services offers results via interface, auto-fax and auto-print.
