
Supplies

Munson Healthcare Laboratories provides all supplies and request forms needed for specimen collection and transport at no charge. Supplies can be ordered by faxing a completed supply request form directly to the laboratory (fax number is at the top of the form).

For supplies not specifically listed on the supply request form, write the item needed in the additional space.

Please allow 3 to 4 days for routine delivery. If supplies are needed urgently, please indicate this on the order form or phone your nearest laboratory.

Supplies can also be ordered electronically by Atlas Labworks clients. Please refer to the user manual for instructions.

A supply order form is available on the internet at www.munsonhealthcare.org. Follow this pathway: For Physicians>Resources>Forms>Laboratory Supply & Forms Requisition.

For questions please call client services at your local laboratory.
