
Mission Statement

Setting the Standard for Community Care

Hallmark Health Department of Laboratory Services offers clinical and anatomic laboratory services to medical facilities, physicians, and other health-care providers.

Our commitment to you revolves around a team of highly qualified, scientific, and technical professionals, state-of-the art equipment, and sensitivity to client and patient needs. Hallmark Health takes pride in our long standing reputation for consistently producing timely and reliable diagnostic laboratory results.

MISSION

Our mission is to provide, in a community-based setting, the highest quality healthcare to Boston's northern suburbs.

VISION

Hallmark Health will be the system of choice in our region, with demonstrated service to and support from area residents and physicians.
